AT SEA

NOON POSITION

Latitude: 31° 08.5' N
Longitude: 132° 22.0' E
Avg Speed 10.38 Kts
Distance to Go: 830.0 NM

WEATHER FORECAST

Today's forecast, we are experiencing winds from the East averaging 10 knots or less and combined seas and swells 3 feet or less. Middle and high cloud cover with fog & haze could become an issue for celestial observation. High temperatures will remain in the upper 80s and low temperatures in the upper 70s. These conditions should continue through the weekend.

Last Name A-M 8/8; Last Name N-Z 8/9

Korean Maritime University Visit

Cadets interested in visiting the Korean Maritime University in Busan can sign up at the bulletin board across from the Purser's office. Please sign up early because there are only 30 spots available for the cadets. The bus will pick the crew members that have signed up at 1000 on August 4th. There will be a scheduled campus tour and lunch at the Korean Maritime Academy.

Attention All 3/C Deck Cadets

Cadets in Alpha group can now pick up their sea bags from the Bos'n.

Attention All 3/C Deck Cadets in Bravo Group
Sea bags are due on August 1st; please bring your sea bags to the Marlinspike classroom at 1900 this Sunday.

Attention All Hands

Scaling Schedule:

July 30- August 3: Chipping aft house port side near frame 140, 03 deck. Remove and chip ladder-way port side aft house from 01 to 02 decks.

Bible Study and Fellowship

There will be a Bible Study and Fellowship meeting Sunday evening at 1930 in Osborne classroom.

MARITIME TRIVIA QUESTION FOR THE DAY

Why did American sailors use to refer to the British sailors as “limeys”?

See Assistant Commandant Buck if you think you know the answer.

Previous Question and Answer

When a sailor talks about the camber of the ship’s deck what is he or she talking about?

The camber of a ship’s deck refers to the slope of the deck from the midships point to the deck edge of a ship. Camber usually helps to keep the deck free of water.
