Notes from the Captain

- ❖ All hands are directed to view the “TSGB Safety System” Powerpoint posted on the ship’s intra-net web page. This explains how the ships At-Sea and In-Port safety system works and explains the ship’s security bill plus the different signals for all. Each person onboard is expected to be familiar with these important systems and what specific duties each of you have.
- ❖ Cadets are reminded that at drills, all straps of lifejackets will be securely fastened. Hats/helmets are required at drills. Each crewmember should assemble a personal survival kit with any meds. long-sleeved shirt, sun screen & small water bottle that are kept with your lifejacket (refer to Cruise Handbook).
